INTER CHANGE 2014

Equality Parade

INTERCHANGE
Bozeman, Montana
June 25-29, 2014

Interchange is a festival inspired by a series of chaos and imperfect moments. We all have closets, stories and social trauma. The profiled, the homeless, veterans, rape victims, being gay, being bullied or telling someone you may die. We all have it. It's the alternative to pushing away for fear of unaceptence. This year our topics include Racism, Human Trafficking, Women's Rights, Homelessness, Veterans and the LGBT movement. We'll feature a Film Festival, Leadership Summit, The Remix Runway Show, Parade, Garden Party and Concerts featuring Paul Oakenfold, People Under The Stairs and more!
